Thanks for the times that you've given me,  
The memories are all in my mind.  
And now that we've come to the end of our rainbow  
There's something I must say out loud.

You're once, twice, three times a lady, and I love you.  
Yes, you're once, twice, three times a lady,  
And I love you  
I love you.

When we are together the moments I cherish,  
with every beat of my heart.  
To touch you, to hold you, to feel you, to need you.  
There's nothing to keep us apart.

You're once, twice, three times a lady, and I love you.  
I love you.
