**(feat. Lenny Kravitz)**

Hey, I can see that smile on your face  
Tonight  
Memories will never erase  
And I feel like our time has come  
Our hearts are beating wild as one  
True love I know is hard to find  
But you tonight you're mine

Didn't we have the time of our life tonight  
Didn't we have the time of our life tonight

Hey, I hope you feel the same way I feel  
Cause tonight  
The moon, the stars, this moment so real  
To once  
We have every thing  
Our hearts have a song to sing  
We now know that dream's come true  
Cause now there's me and you

Didn't we have the time of our life tonight (I'm saying)

Didn't we have the time of our life tonight (I'm saying)  
Didn't we have the time of our life tonight  
Didn't we have the time of our life tonight

Didn't we dance the night away  
What can I say to you  
You make life a holiday  
Let's go and play  
Let's go and play

Didn't we have the time of our life tonight (I'm saying)  
Didn't we have the time of our life tonight (I'm saying)  
Didn't we have the time of our life tonight  
Didn't we have the time of our life tonight

(Come on and sing the song  
Come on and sing along)
