I may be just a foolish dreamer  
But I don't care  
'Cause I know my happiness is waiting out there  
somewhere  
I'm searching for that silver lining  
Horizons that I've never seen  
Oh I'd like to take just a moment and dream my dream  
Ohhh Dream my dream

(Chorus)  
Ohhh Zoom  
I'd like to fly far away from here  
Where my mind is fresh and clear  
And I'd find the love that I long to see  
Where everybody can be what they wanna be

Ohh I'd like to greet the sun each morning  
And walk amongst the stars at night  
I'd like to know the taste of honey in my life, in my life  
Well I've shared so many pains  
And I've played so many games  
Ohh but everyone finds the right way  
Somehow  
Somewhere  
Someday

(Chorus)  
Ohhh Zoom  
I'd like to fly far away from here  
Where my mind can be fresh and clear  
And I'll find the love that I long to see  
People can be what they wanna be

Ohhhhh I wish the world were truly happy  
Living as one  
I wish the word they call freedom someday would come  
Someday would come

(Chorus)  
Ohhh Zoom  
I'd like to fly far away from here  
Where my mind can be fresh and clear

And I'd find the love that I long to see  
Everybody can be what they wanna be Hey, Hey Hey  
Hey Hey Baby

Zoom  
I'd like to fly away  
Zoom  
I'd like to fly away  
Zoom  
I'd like to fly away  
You and me, baby  
Walking free  
Don't you wanna go?  
Don't you wanna go?
