My Love...

There's only you in my life;  
The only thing that's right;  
My first Love...  
You're every breath that I take;  
You're every step I make.

And I...

I want to share  
All my love with you;  
No one else will do.  
And your eyes (your eyes, your eyes)  
They tell me how much you care...  
You will always be;  
Y Endless Love...

Two hearts,  
Two hearts that beat as one;  
Our lives have just begun.  
Forever... uuu...  
I'll hold you close in my arms.  
Can't resist your charms!  
I'll be a fool for you;  
I'm sure  
You know I don't mind (oo... you know I don't mind)  
All to you  
You'll be the one to me  
I know (I know)  
I found in you (I found in you)  
My endless love...  
And yes...  
You'll be the only one  
'Cause no one can deny;  
This Love I have inside.  
And I'll give  
It all to you;  
My love (My love... My love)  
My Endless Love...
