I got a knife in my locker  
I got a gun that is mine  
I am a boy on a mission  
I don't know why, but you'll die

Hatred's my fuel  
Hiding in the shadows  
Violence; my tool  
Bleeding but the hatred's my fuel  
Cursed by the fools  
Hiding in the shadows  
I make the rules  
Bleeding but the hatred's my fuel

Why do you sigh after others?  
Why would they cry over you?  
Why do you hate my desire?  
Why is my time running out?

Hatred's my fuel  
Hiding in the shadows  
Violence; my tool  
Bleeding but the hatred's my fuel  
Cursed by the fools  
Hiding in the shadows  
I make the rules

Hatred's my fuel  
Hiding in the shadows  
Violence; my tool  
Bleeding but the hatred's my fuel  
Cursed by the fools  
Hiding in the shadows  
I make the rules  
Bleeding but the hatred's my fuel
