Gotta make to a town that's right for me
A town to keep me movin', keep me groovin' with some
energy
Well, I talk about it, talk about it, talk about it, talk about
it
Well, I talk about, talk about, talk about movin'
Gotta move on, gotta move on, gotta move on

Won't you take me to funkytown?
Won't you take me to funkytown?
Won't you take me to funkytown?
Won't you take me to funkytown?

Won't you take me to funkytown?
Won't you take me to funkytown?
Won't you take me to funkytown?
Won't you take me to funkytown?

A town to keep me movin', keep me groovin' with some
energy
Well, I talk about it, talk about it, talk about it, talk about
it
Well, I talk about, talk about, talk about movin'
Gotta move on, gotta move on, gotta move on

Won't you take me to funkytown?
Won't you take me to funkytown?
Won't you take me to funkytown?
Won't you take me to funkytown?

Won't you take me to funkytown?
Won't you take me to funkytown?
Won't you take me to funkytown?
Won't you take me to funkytown?
