I'm right here in front of you
And I can't stop sh-sh-shaking
I can't stop sh-sh-shaking
Come on and hold me still

Did my heart love until now?
Cause' I feel as though i've never seen
Beauty 'til this night
I'm forever yeah, i'm forever yours

(Your wearing your skin like it's too tight)

And there she was
Reflecting so brightly the warmth that she installs
And there she was
We were infinite for a moment

There's not one girl here
That would be lead by her conscious
In a world where every girl wants to be a model
-What's wrong babe? Did daddy not give you enough
attention?-
Did my heart love until now?
Cause' I feel as though i've never seen
Beauty 'til this night
I'm forever yeah, i'm forever yours

Take back what's mine
Just leave me in it, and everything that I believe in
She's shaking! She's shaking!
Please act surprised
She's shaking! She's shaking!
Please act surprised
She's shaking! She's shaking!
Please act surprised
She's shaking! She's shaking!

And there she was
Reflecting so brightly the warmth that she installs
And there she was, we were infinite for a moment
And there she was, we were infinite for a moment
