At the moment that she left the room  
The album started skipping  
Goodbye to beauty, shared with the ones that you love  
A shadow that has fallen over this town  
A shadow that has fallen over this town

Attention, all of my worst critics  
Who were once the best of friends  
You're all just crows on the power lines

Into romantic speculations  
Into romantic speculations

Sightings of shape shifting  
Dissolved into the darkness  
A final opinion is of less value  
The an appreciation of,  
And tolerance for obscurity

Theatrics, all made up and pianos all playing at once  
through the dust  
I found it difficult in my excitement to keep from  
floating off

Into romantic speculations  
Into romantic speculations

Sightings of shape shifting  
Dissolved into the darkness  
A final opinion is of less value  
Than an appreciation of,  
And tolerance

A shadow that has fallen over this town [x6]  
[In background]  
I'll rest on nets made by spiders fed on drug dosed  
flies  
The spider sings alone  
The spider sings alone  
He paced the room with hurried steps  
And if he were afraid  
His thoughts were bursting from his brain

Sightings of shape shifting  
Dissolved into the darkness  
A final opinion is less value  
Than an appreciation of,  
And tolerance

Sightings of shape shifting  
Dissolved into the darkness  
A final opinion is less value  
Than an appreciation of

As if he were afraid!
