This generation,
rules the nation,
with version.

Music happen to be the food of love.
Sounds to really make you rud and scrub.

I say: Pass the dutchie on the left hand side.
Pass the dutchie on the left hand side.
It a gonna burn, give me the music make me jump and
prance.
It a go done, give me the music make me rock in the
dance.

It was a cool and lovely, breezy afternoon
(How does it feel when you've got no food?)
you could feel it 'cause it was the month of June
(How does it feel when you've got no food?)
so I left my gate and went out for a walk
(How does it feel when you've got no food?)
As I pass the dreadlocks' camp I heard them say
(how does it feel when you've got no food?)

Pass the dutchie on the left hand side.
Pass the dutchie on the left hand side.
it a gonna burn, give me the music make me jump and
prance.
It a go done, give me the music make me rock in the
dance.

So I stopped to find out what was going on
(how does it feel when you've got no food?)
'Cause the spirit of Jah, you know he leads you on.
(how does it feel when you've got no food?)
There was a ring of dreads and a session was there in
swing.
(how does it feel when you've got no food?)
You could feel the chill as I seen and heard them say
(how does it feel when you've got no food?)

Pass the dutchie on the left hand side

Pass the dutchie on the left habd side
It a gonna burn, give me the music make me jump and
prance
It a go done, give me the music make me rock in the
dance

'Cause me say listen to the drummer, me say listen to
the bass
give me little music make me wind up me waist
Me say listen to the drummer, me say listen to the bass
Give me little music make me wind up me waist, I say

Pass the dutchie on the left hand side
Pass the dutchie on the left hand side
It a gonna burn, give me the music make me jump and
prance
It a go done, give me the music make me rock in the
dance

You play it on the radio, a so me say,
we a go heard it on the stereo
A so me say know you go play it on the disco
a so me say we a go hear it on the stereo

Pass the dutchie on the left hand side
Pass the dutchie on the left hand side
It a gonna burn, give me the music make me jump and
prance
It a go done, give me the music make me rock in the
dance

I say East, say West, say North and South
(on the left hand side)
This is gonna really make us jump and shout
(on the left hand side)
