Gotta get this feeling once again .
why can't you ever keep me safe from harm .
watching colours form, minutes passing by .
this time I'm on my own I'm here to stay .
turning upside down .
everything that comes around goes around .
something more than ordinary life .
pulling inside out .

over the top - I'm sliding from the edge .
Catch me I'm falling down, falling down .
Catch me I'm falling down, falling down .
I'm on my way .
I'm on my way .
All is fixed so face it one more time .

in a small world that I call my own .

intrusive noises never let me go .
simple awesome notes (that's) what I want to hear .
pathetic neighbours jumping up and down .
turning upside down .
daily sadness melted from the sun .
pulling inside out .
over the top I'm sliding from the edge .

I'm on my way .
Catch me I'm falling down, falling down .
I'm on my way Catch me I'm falling down, falling down .
