L don't know
What seers have said
But fate was queer
And times we had
Our big mistake was incomplete
So pure and sweet
We had to break
Our ties in two
L could not say I want you
L do recall what she has said now
What she has said to me now: I SAID I SAID I NOW
IT'S CLICKLESLEY CALLING
IT'S CLICKLESLEY CALLING
THE SWEETEST SOUND IN TOWN
THE SWEETEST SOUND I don't know
What time will come
L might be late
Though I will run
It is far and still a maze
The wish we chase
Our little world
Too small to breathe
Was like a stone
With us beneath
But don't regret. the time we had
The time we have - we have now: I SAID I SAID I NOW
IT'S CLICKLESLEY CALLING
IT'S-CLICKLESLEY CALLING-. IT'S The SWEETEST SOUND
IN TOWN
THE-SWEETCST SOUND - it's not for the cause
It's not for the fiction
It's not for the cause
It's not for the fiction
L can't say what's to say now - no I can't say now
