Seven inches higher than a level - fine and satisfied .
magpies need to try again .
always heading for the places which were serving just
a purpose .
for a short time .

Kisses of the night .
simply swallowed by the time .
the devil never in disguise .
a case of carelessness .
we dare to win .
it's tickleing .
not for the first time .

Blinded by the light .
and then she kissed me .
left it all behind .
and move from side to side .
there she goes .
for me to see .
that she kissed me .

Sophisticated mind .
searching for a place to hide .
too tired to be curious .
rampant runnig of the measures .
only featured by a treasure of a dumb mind

Seven reasons for our pleasure and a funeral .
I did it that way .

Blinded by the light .
and then she kissed me .
left it all behind .
and move from side to side .
there she goes .
for me to see .
that she kissed me .
