I'm so sorry I'm willing to lose
I'm willing to let you down
oh, I'm sorry but it's hard to handle
it's hard to handle love
yes I remember all the bad and good times
every day we had
sorry for running off
to find the right thing
to find the right way: I WON'T TRY - I'M SORRY TO SAY
GOODBYE
AND I WON'T I WON'T TRY - I'M SORRY TO SAY SO

Four letters so important for us
for all to understand
oh I'm sorry not a single one
a single one would believe
no I'm not glad I've never been
I've never been so far. so unhappy I can't believe
how stupid I have been: I WON'T TRY - I'M SORRY TO
SAY GOODBYE
AND I WON'T I WON'T TRY - I'M SORRY TO SAY SO
