It's coming down on us like it's coming down on you .
and while I forced myself you came with many words -
untrue .
I know even less to describe the now and then .
I can only face the truth,
things getting harder now and adrenaline is rushing
throug my body and soul .
makes me wanna scream - so it goes .
it only makes me wonder what or who I am .
turning inside out and preparing the attack .
suddenly everything went black .
ordinary banishment for you - so it goes .
Suzanne, Suzanne, Suzanne is breaking me apart .
more lies, disguise, she only makes it when she tries .
Suzanne, Suzanne, Suzanne - that girl .
what a life - in senselessness, everything she did was
in betray .
to deliver us these lies .
Suzanne, Suzanne, Suzanne that girl .can I save a liar
from the fire - so it goes .
Suzanne, Suzanne, Suzanne is breaking me apart .
