Wake me up somehow
wake me up when you're around
wake me up a thousand times
wake me up somehow
Coucher coucher. I will lay me down
I will call you back and then
we'll talk again
In my dreams I dwell
asleep - there is no au revoir
I do believe I hear you say "je veux te voir ce soir"
Eyes - dim and colorless
whispering to spoil the noise
meaningless to hear a voice
- what splendid night it was: WAKE ME UP SOMEHOW
WAKE ME UP WHEN YOU'RE AROUND
WAKE ME UP A THOUSAND TIMES
WAKE ME UP SOMEHOW /Comme ci comme ca

I'd shiver everywhere
the quivering seems to linger there
il pleut dans mon coeur /I feel so insincere
my memories of you are weird
the beauty of your tongue - my work's undone
Another chapter Starts. I close my eyes and watch the
stars
overwhelming past - what splendid night it was: WAKE
ME UP SOMEHOW
WAKE ME UP WHEN YOU'RE AROUND
WAKE ME UP A THOUSAND TIMES
WAKE ME UP SOMEHOW
WAKE ME UP TODAY
WAKE ME UP AND PLEASE, PLEASE STAY
WAKE ME UP BE PLEASED AND STAY
WAKE ME UP SOMEHOW
