All that we deserve now
Is everything we get.. I know
But it depends on something
Something we don't have.. I know
But still I am a rich man
With what you said
Truth is what we see
And, what we see must fail.. I know
We're supposed to read the letters
Mailed by commonsense.. I know
We will keep our secret
No matter what they say:
What you keep inside
I know
What you keep inside
I know, and it feels so good
Oh, and it feels so good
You used to hand me candies
As sweet as they could be.. I know
You made me feel exhausted
Demented like a freak.. I know
Still I am a rich man
With what you say:
What you keep inside
I know
What you keep inside
I know, and it feels so good
Oh, and it feels so good
Oeh oehoeoeoh
What you keep inside
I know
What you keep inside
I know, and it feels so good
Rememberance of all we shared
I drift away and..
Oeh oehoeoeoh
What you keep inside
I know
What you keep inside
I know, and it feels so good
Oh, and it feels so good
What you keep inside

I know
What you keep inside
I know, and it feels so good
Remembrance of all we shared
I drift away and..
Oeh oehoeoeoh
