If I believe
That destiny
Changed the hands of fate
I believe that forever
Was a lonely place to wait

I can see inside your eyes
Miracles can not tell lies
I believe like I believe
Miracles and destiny
You make your own reality
I know when I

CHORUS

Look up to the sky
There's angels
In the clouds
At night you can see their eyes
See the stars
Looking down

Now I feel
Like the thought of you
Leaves me with
Nothing to hide
When I'm there
Next to you
Naked with my pride

I can wait a lonely time yeah
I would wait a million nights
But I believe like I believe
Miracles and destiny
You make your own reality
I know when I

CHORUS

If I believe that destiny
Changed the hands of fate
I can see inside your eyes

Miracles can not tell lies
I know when I

CHORUS x2

Look up to the sky (echo)
