Shake your body move inside the water
I?m on your plastic duck
and when the foam get up
to your shoulders
I?m gonna kiss your nose

Shake your body move inside the water
I?m on your plastic duck
and when the foam get up
to your shoulders
I?m gonna kiss your nose

blueberry, blueberry eyes
I?m watching you
I?m coming just a little bit closer
iii, iii, oink, oink, mu, mu
bubbles and bubbles
falling in love the soap
and the water falling in love

changos quieren melones
ya no quieren bananas
por que en el zool?gico
les daban puras bananas

strawberry my cherry pie
I?ll sing for you again
and again and again and again
iii, iii, oink, oink, mu, mu

mi patito de hule
mi patito de hule
mi patito de hule

shake your body move inside the water
I?m on your plastic duck
and when the foam gets up
to your shoulders
I?m gonna kiss your nose

shake your body move inside the water

I'm on your plastic duck
and when the foam gets up
to your shoulders
I'm gonna kiss your nose
