This spring of love, resembles the uncertain glory of an
April day
The sun beating against my neck, horizons still stuck in
my mind

To the girl that can't forgive me

Take these misunderstandings, and send them back
where they came from
Take these misunderstandings, it's hard enough to live
life as it is

Binded
Hooked on an anchor

All nereids beware, all nereids beware

This spring of love, resembles the uncertain glory of an
April day

A shipwreck
Left stranded
A castaway

Coast to coast the high seas echo "it's not you it's me"
If the wind were down, I could drive the boat with my
sighs
(I could drive the boat .. if the wind .. were down)

Take these misunderstandings, and send them back
where they came from
Take these misunderstandings, it's hard enough to live
life as it is

A corpse lies lifeless, where X marks the spot, at the
bottom of the ocean floor

Where X marks the spot
Where X marks the spot

All nereids beware, all nereids beware
The finest treasures are buried under waves

A shipwreck
Left stranded
A castaway
