And the moment that she left the room
The album started skipping
Goodbye to beauty, shared with the ones that you love
A shadow that has fallen over this town
A shadow that has fallen over this town

Attention, all of my worst critics
Who were once the best of friends
You're all just crows on the power lines

Into romantic speculations
Into romantic speculations

Sightings of shape shifting
Dissolved into the darkness
A final opinion is of less value
Than an appreciation of,
And tolerance for obscurity

Theatrics, all made up and pianos all playing at once
through the dust
I found it difficult in my excitement to keep from
floating off
To keep from floating off and off and off

Into romantic speculations
Into romantic speculations

Sightings of shape shifting
Dissolved into the darkness
A final opinion is of less value
Than an appreciation of,
And tolerance

A shadow that has fallen over this town [x6]
[In background:]
I'll rest on nets made by spiders fed on drug dosed
flies
The spider sings alone
The spider sings alone
He paced the room with hurried steps

And placed his hands upon his head
As if he were afraid
His thoughts were bursting from his brain

Sightings of shape shifting
Dissolved into the darkness
A final opinion is of less value
Than an appreciation of,
And tolerance

Sightings of shape shifting
Dissolved into the darkness
A final opinion is of less value
Than an appreciation of

As if he were afraid!
