I'm going to need all the kings horses  
All the kings men to help me put  
The pieces back together again  
Same old, same old, same feels like a cage that I'm in,

What I need is more than just to shake it.  
Break it, throw it up against the wall  
Take a hammer to my world and watch the pieces fall  
I need to take down and start again.  
I'm so tired of me that I can't take it anymore.  
So I'll break it.

This caterpillar is climbing in her cocoon  
And I ain't coming out til I become someone new  
Everyone who held me back, they told me not to.  
I can't wait to see their faces  
When I...

Break it, throw it up against the wall  
Take a hammer to my world and watch the pieces fall  
I need to take down and start again.  
I'm so tired of me that I can't take it anymore.  
So I'll break it.

As long as it's still working you can always find a  
Person who  
Says good enough, Wear it out, make it do or do  
without  
But I'm not one of those  
I say if it's not broke  
Break it...

Break it; throw it up against the wall  
Take a hammer to my world and watch the pieces fall  
I need to take down and start again.  
I'm so tired of me that I can't take it anymore.  
The only way to change it is break it.

Gonna break it  
Watch me break it  
Watch me break it

I'm gonna break it.
