Title: Kiss This  
Artist: Lisa Angelle  
Album: Lisa Angelle

Knock,Knock,Knock Well Let Me Guess  
It's Not Moses Or The President  
Little Boy Blue With A Dozen Posies  
Looking For A Little Ring-Around-The-Rosey  
You're So Sorry And You Want Me Bad

Chorus:

Kiss My Broken Heart  
All The Pieces That You Tore Apart  
Kiss My Wounded Pride  
Take Back All Your Little Lies  
Get Down On Your Knees  
And Kiss The Sky 'Cause You Made Me Bleed  
You Say,Baby Let Me Kiss Your Lips  
I Say Baby,Kiss This

The Big Bad Wolf Is In Your Face  
And You Ain't Gettin' Near This Lace  
'Cause Bo Peep Don't Live Here No More  
She Got Caught In Your Slammin' Door  
Let Me Tell You Just What I Require

[Repeat Chorus]

Love You,Love You  
Do I Love You - You Know I Do  
Hurt Me,Hurt Me  
Do You Hurt Me - You Know It's True  
Look Me In The Eye And Show Me  
Something I Can Believe

[Repeat Chorus]
