Intro:

Exclusive sagas

Uh, yea, come on

We gonna do this one right here (I like this)

Lets just do it

See when I wanna do something I just do what I feel, ya  
know what I'm saying?

I just do it straight from the heart, so we can do it and  
do it

Lets go

Verse 1:

Nobody never understood be better

A true friend forever

That's why I'm writing you this love letter

Despite my ways through every phase

You brought me better days

Withstood the craze

From the beginning Windy hill the black Lennon

When I was saggin denim, and let you get up in em'

Until I damage when I select it

Another ni\*\*a but we managed to stay connected

When you expected to see me naked

I couldn't let it five years and your still respected

Now check it, give me a second to unwind

You'll find all the pain and misery that nearly blew my  
mind

Can't no fame and shivery compare to losing time

I'll explain my history aboard the cools at nine

Don't be late, cuz I would hate to cross the seven seas

In the windy breeze, without your fantasies

Lets Do It

Chorus:

Lets just do it, do it, do it, do it, do it, aww yea

Lets just do it, do it, do it, do it, do it, (Lets Just Do It)

Lets just do it, do it, do it, do it, do it, aww yea

Lets just do it, do it, do it, do it, do it, (Lets Just Do It)

Verse 2:

E-E-L-L-I-O-T-T, they call me Missy E, I'm C-U-T-E  
You like the way I do it, I put my foot into it  
Tell them haters that mad they can't do it like I do it  
They used to call me fat, they used to say I'm ugly  
But now I'm making records, groupies screaming that  
they love me  
I got them dolla bills, I make a lot of cheese  
Bet your bi\*\*h can't do it like me  
And when you see me in the club I'm lookin' fresh  
And when you see me on the street I'm lookin' fresh  
And when you see me on the town I'm lookin' fresh  
I got my hair and my nails done and I'm so fresh  
Baby, whatever you want to do, it's just so it's up to you  
Lets do what you want to do, Lets go

Chorus:

Lets just do it, do it, do it, do it, do it, aww yea  
Lets just do it, do it, do it, do it, do it, (Lets Just Do It)  
Lets just do it, do it, do it, do it, do it, aww yea  
Lets just do it, do it, do it, do it, do it, (Lets Just Do It)

Check it, anything that your heart desires  
Lets Just Do It  
And if you think it's gonna take you higher  
Lets Just Do It  
Anything that your mind can see  
Lets Just Do It  
And do it, and do it, and do it, and do it, and do it

Chorus:

Lets just do it, do it, do it, do it, do it, aww yea  
Lets just do it, do it, do it, do it, do it, (Lets Just Do It)  
Lets just do it, do it, do it, do it, do it, aww yea  
Lets just do it, do it, do it, do it, do it, (Lets Just Do It)
