No matter where I am  
Iâ€™m always thinking of you  
It may be hard but I need you to understand  
That I donâ€™t often say what I feel  
But now this is straight from my heart

My love grows stronger every minute  
And it wonâ€™t ever die  
I want you to stay with me  
Not just this day  
But for all my life

Now when I look into your eyes  
I can tell thereâ€™s something wrong  
Youâ€™re holding back the tears  
Couldnâ€™t bear to lose you now  
So I will make my feelings clear

My love grows stronger every minute  
And it wonâ€™t ever die  
You must believe  
Iâ€™ll always be there for you  
All my life

Oh please stay

My love grows stronger every minute  
And it wonâ€™t ever die  
I want you to stay with me  
Not just this day  
But for all my life

Oh please stay
