You keep Throwing Paper Roses At my Feet
I'll Be Sure And Take 'em With Me When I Leave
There's No Doubt I'm Out Of Here Tomorrow
If You Ain't never Gonna Change

Chorus:

Four Days From A Bad Lie Is
Three Days Of A Good Cry Is
Two Days Of Goodbye And
One Day I'm Gone

Baby I Ain't Never Seen A Light
Brighter Than The One That you turned On Last Night
I've Been Drowning In These Tears But Now I'm Wading
And Goodbye Sounds Like Solid Ground

[Repeat Chorus]

Remeber When My Love Was What You Counted On

[Repeat Chorus]
