Title: I Didn't Want To Know
Artist: Lisa Angelle
Album: Lisa Angelle
Years I Have Waited In The Wings
Hoping You'd Find Your Way To Me
Then I Saw Me
With Someone I Don't Know
The Way You Looked At Her
Told Me Everything
I Didn't Want To Know

Chorus:

You Lie, You Cheat
You Don't Love Me
I Stay, Like A Fool
Cause I Still Need You
Oh Baby
There's Got To Be A Better Way
To Let Somebody Go
You Didn't Have To Tell Me Everything
I Didn't Want To Know

Standing Beside Our Bed You Smile
And I Forgive You For A While
'Til You Say "Darlin' I've Really Go To Go"
The Way You Say Those Words
Tells Me Everything I Didn't Want To Know

[Repeat Chorus]

There's Got To Be A Better Way
To Let Somebody Go
You Didn't Have To Tell Me Everything
I Didn't Want To Know
You Didn't Have to Tell Me Everything
I Didn't Want To Know
