I feel... you in... my sleep
I breathe your breath
I hear you speak

I am restless... You sleep
You're an obsession clouding my mind
Why don't you make up your mind. ...Walk with me.

I'll suggest the place
Only room for two
I've been plannin' all the things
That I'll do to you
I'll adore you
I'll adore you
I'll adore you

I stare... unto... the edge
Jump with me... Into the sea
I have kissed you relentlessly
I feel your naked skin touching mine
Why don't you make up your mind...Walk with me

I'll caress you skin
I'll be there for you
I've been planning all the things... that I'll do to you
I'll adore you
I'll adore you
I adore you

I'll adore you
I'll adore you
I adore you

Until... You tell... Me to
I'll never stop... wanting you
Feeling you
Breathing you
I have given all of me... All I need is you
To adore you
I'll adore you
I adore you

Iâll adore you
Iâll adore you
I adore you
