I'm going to need all the kings horses
All the kings men to help me put
The pieces back together again
Same old, same old, same feels like a cage that I'm in,

What I need is more than just to shake it.
Break it, throw it up against the wall
Take a hammer to my world and watch the pieces fall
I need to take down and start again.
I'm so tired of me that I can't take it anymore.
So I'll break it.

This caterpillar is climbing in her cocoon
And I ain't coming out til I become someone new
Everyone who held me back, they told me not to.
I can't wait to see their faces
When I...

Break it, throw it up against the wall
Take a hammer to my world and watch the pieces fall
I need to take down and start again.
I'm so tired of me that I can't take it anymore.
So I'll break it.

As long as it's still working you can always find a
Person who
Says good enough, Wear it out, make it do or do
without
But I'm not one of those
I say if it's not broke
Break it...

Break it; throw it up against the wall
Take a hammer to my world and watch the pieces fall
I need to take down and start again.
I'm so tired of me that I can't take it anymore.
The only way to change it is break it.

Gonna break it
Watch me break it
Watch me break it

I'm gonna break it.
