Hey, do you know me
I live down the hall
In evergreen and charming home
my house is just 4 walls
everyday i read a book to my friend who cannot see
Hey, do you know me

Hey, do you know me
I teach the 2nd grade
I always get there early and
I always stay there late
I give them all I can in who they are and who they'll be
Hey, do you know me

Chorus: There are angels all around
In the sky and on the ground
They walk beside us everyday
Giving love away
There are people on every street
You might be the one I meet -today-
Hey, do you know me

Hey, do you know me I drive the city bus
I see alot of people w ho are down on their luck
I keep a pocketful of change for those
who cannot pay
Hey, do you know me

Repeat chorus

Hey do you know me
I'm a beggar on the street
I know I'm good for something
If only for one thing
Maybe to remind you that you have all you need
Hey, do you know me

Bridge: There are angels all around
In the sky and on the ground
They walk beside us everyday
Giving love away

There people on the street
You might be the one I meet -today-
Hey, do you know me

Hey, do you me
