Verse 1

Sometimes it's amazing to me
How people walk around
In the moment of truth
Baby I'm not in this thing to hide my heart
And keep secrets from you
Love's only love if it's honest and real
Do you trust me enough to get what you feel?

Chorus

Say what's deep down inside
What fires your soul
What shows in your eyes
Say what you dare to believe
Your darkest desire, your craziest dreams
It matters to me
Whether you want what you need
Say

Verse 2

Sometimes it's the easy way out
To stay locked in the shell
So silent and strong
You might think your escaping the dark
But your slamming the door on the light of the dark
Whisper to me i am listening to you
Remember it's me your talking to

Chorus

Say what's deep down inside
What fires your soul
What shows in your eyes
Say what you dare to believe
Your darkest desire, your craziest dreams
It matters to me
Whether you want what you need
Say

Say it with a touch
Say it with a kiss
Say it ever night
When you hold me like this

Chorus

Say what's deep down inside
What fires your soul
What shows in your eyes

Say what you dare to believe
Your darkest desire, your craziest dreams
It matters to me
Whether you want what you need
Say
Say
Say what's deep down inside
Say what you dare to believe
