I am Born Again  
My Bridges Were Burned  
But Now This Is My Return  
I am Born Again

I am Standing Here Tonight  
Coming Back Into The Light  
I Was Gone Forever, Forever  
The Taste Of Hell I Had Before  
It's Not Coming Back, No More  
Something Turn's My World Around

[Chorus]

I am Born Again  
My Bridges Were Burned  
But Now This Is My Return  
I am Born Again

I am Free As A Bird  
I'm The King Of The World  
And Finally I Found My Soul, Again  
I'm Born Again

The Here And Now  
Will Become The Past  
I'm Trying To Make This Moment Last  
Make It Last Forever, Oh Forever

Since My Dream Is Coming True  
A Million Things I Want To Do  
Something Turn's My World Around

[Chorus]

I am Born Again  
My Bridges Were Burned  
But Now This Is My Return  
I am Born Again

I am Free As A Bird

I'm The King Of The World  
And Finally I Found My Soul, Again  
I'm Born Again  
I'm Born Again

Free As A Bird  
And Finally I Found My Soul Again  
(Free As A Bird)  
And Finally I Found My Soul Again

Free As A Bird  
King Of The World  
Free As A Bird  
King Of The World

Something Turn's My World Around

[ Chorus ]

I am Born Again  
My Bridges Were Burned  
But Now This Is My Return  
I am Born Again

I am Free As A Bird  
I'm The King Of The World  
And Finally I Found My Soul, Again  
I'm Born Again
