Tell me your story
I want to know
What makes you happy
What makes you sad

Tell me your story
Is it good or is it bad
Does it have a happy ending
Will it make me laugh

Tell me your story
The story of your heart
The story of tomorrow
If you had a brand new start

Tell me your dreams

The ones that said good-bye
The love that conquered all
Your favourite lullaby

Tell me your story
How you fought and lost the war
How your words were left hanging
How your soul cried out for more

Tell me your story
Tell me no lies
I'll listen with my heart
I want to be your lullaby.
