I just want you close  
Where you can stay forever  
You can be sure  
That it will only get better

You and me together  
Through the days and nights  
I don't worry 'cause  
Everything's going to be alright  
People keep talking they can say what they like  
But all I know is everything's going to be alright

No one, no one, no one  
Can get in the way of what I'm feeling  
No one, no one, no one  
Can get in the way of what I feel for you, you, you  
Can get in the way of what I feel for you

When the rain is pouring down  
And my heart is hurting  
You will always be around  
This I know for certain

You and me together  
Through the days and nights  
I don't worry 'cause  
Everything's going to be alright  
People keep talking they can say what they like  
But all I know is everything's going to be alright

No one, no one, no one  
Can get in the way of what I'm feeling  
No one, no one, no one  
Can get in the way of what I feel for you, you, you  
Can get in the way of what I feel

I know some people search the world  
To find something like what we have  
I know people will try try to divide something so real  
So till the end of time I'm telling you there ain't no one

No one, no one, no one

Can get in the way of what I'm feeling  
No one, no one, no one  
Can get in the way of what I feel for you, you, you  
Can get in the way of what I feel for you
