Lalala lalala la la lala la ohhh

You know... I never felt like this before

Lalala lalala la la lala la ohhh

Feels like... so real

I'm obsessive

When just one thought of you comes up

I'm aggressive just one thought of closing up

You got me stressing

Incessantly pressing the issue

'Cause every moment gone you know I miss you

I'm the question and you're of course the answer

Just hold me close boy

'Cause I'm your tiny dancer

You make me shaken up, never mistaken

But I can't control myself

Got me calling out for help

Chorus:

SOS - please someone help me?

It's not healthy... for me to feel this way

Y.O.U. are making this hard

I can't take it, see it don't feel right

SOS - please someone help me?

It's not healthy... for me to feel this way

Y.O.U. are making this hard

You got me tossin' and turnin'

And can't sleep at night

Bridge:

This time please someone come and rescue me

'Cause you on my mind

It's got me losing it

I'm lost, you got me lookin' for the rest of me

Love is testing me

But still I'm losing it

This time please someone come and rescue me

'Cause you on my mind

It's got me losing it

I'm lost, you got me looking for the rest of me

Got the best of me

So now I'm losing it

Just your presence and

I second guess my sanity

Yes it's a lesson, it's unfair

You stole my vanity

My tummy's up in knots

So when I see you I get so hot

My common sense is out the door

Can't seem to find the lock

Take on me, you know inside

You feel it right

Take me on I'm put desire

Up in your arms tonight

I'm out with you, you got me head over heels

Boy you keep me hanging

On the way you make me feel

Chorus

Bridge

Boy, you know you got me feeling open

And boy, your loves enough with words unspoken

I said boy I'm telling you

You got me open

I don't know what to do, it's true

'M going crazy over you

I'm begging

Chorus

Bridge

Lalala lalala la la lala la ohhh
