Ooh I get so sick of me  
All my insecurities  
You see me lose my mind  
Watch my mood swing out of time

But somehow you always look the other way  
Can't figure out why you stay

Oh, I'd leave me if I were you  
I'd run as fast as I could the other way  
That's what I'd do, I'd get myself free  
If I were you, I'd leave me

Some days I wake up a mess  
And everything's one big train wreck  
I'm lookin' for a place to hide  
And you say right here baby by my side

Well you might be the only one who can  
Love me like I am

Oh, I'd leave me if I were you  
I'd run as fast as I could the other way  
That's what I'd do, I'd get myself free  
If I were you, I'd leave me

(Solos)

Get on a train  
On a big jet airplane  
I'd get the hell out of my way

Oh, I'd leave me if I were you  
I'd run as fast as I could the other way  
That's what I'd do, I'd get myself free  
If I were you  
If I were you  
If I were you, I'd leave me
