Now you say you need me
Why don't you prove you do..
Come on and, cry me a river
Cry me a river
I cried a river over you

Now you say you're sorry
For being so untrue
Come on and, cry me a river
Cry me a river
I cried a river over you

You drove me,
Nearly drove me out of my head
While you never she'd a tear
Remember?
I remember every word you say
Told me love was too plebeian
Told me you were through with me
And, now you say you love me
Why don't you prove you do

Come on and, cry me a river
Cry me a river
I cried a river over you

You drove me
Nearly drove me out of my head
While you never she'd a tear
Remember?
I remember every word you say
Told me love was too plebeian
Told me you were through with me...
And now you say you love me
Why don't you prove you do.
You can..
Cry me a river...
Cry me a river...
I cried a river over you
I cried a river over you...
I cried a river over you...
