Down with love  
With flowers and rice and shoes  
Down with love  
The root of all midnight blues  
Down with things  
That give you that well-known pain  
Take that moon  
And wrap it in cellophane

Down with love let's liquidate  
All it's friends  
Like moon, June, roses  
And rainbow's ends  
Down with songs  
That mourn about night and day  
Down with love  
Take it away, away

Take it away, take it away  
Give it back to the birds  
To bees and the Viennese

Down with eyes romantic and stupid  
Down with sighs, down with cupid  
Brother let's stuff that dove

Take it away, take it away  
Give it back to the birds  
To bees and the Viennese

Down with eyes romantic and stupid  
Down with sighs, down with cupid  
Brother let's stuff that dove

Down down down  
Down with love
