(J.Wolff-J.Herron-F.Sinatra)

I'm a fool to want you
Such a fool to want you
To want a love that can't be true
A love that's there for others too

I'm a fool to hold you
Such a fool to hold you
To share a kiss not mine alone
To share a kiss the Devil has known

Time and time again I ought to leave you
Time and time again I went away
But then it would come the time when I would need you
And once again these words I had to say

I'm a fool to want you
Such a fool to want you
I know it's wrong, it must be wrong
But right or wrong I can't get along

I can't get along
Without you
