It had to be you, it had to be you  
I wandered around, finally found  
Somebody who could make me be true  
Could make me be blue  
And even be glad just to be sad thinkin' of you

Some others I've seen might never been mean  
Might never been cross or tried to be boss  
But they wouldn't do

'Cause nobody else gave me that thrill  
With all your faults, I love you still  
It had to be you, had to be you, had to be you

Some others I've seen might never been mean  
Might never been cross or tried to be boss  
But they wouldn't do

'Cause nobody else gave me that thrill  
With all your faults, I love you still  
It had to be you, had to be you, had to be you
