Like the beat beat beat of the tom, tom  
When the jungle shadows fall  
Like the tick tick tock of the stately clock  
As it stands against the wall

Like the drip drip drop of the raindrops  
When the summer showers is through  
So a voice within me keeps repeating you, you, you

Night and day, you are the one  
Only you beneath the moon and under the sun  
Whether near to me or far  
There's no matter, darling, where you are  
I think of you night and day

Night and day, why is it so  
That this longing for you follows wherever I go?  
In the roaring traffic boom  
In the silence of my lonely room  
I think of you night and day

Night and day, under the hide of me  
There's an, oh such a lonely yearning burning inside of  
me  
And its torment won't be through  
'Til you let me spend my life making love to you  
Day and night, night and day

Night and day, under the hide of me  
There's an, oh, such a lonely yearning burning inside  
of me  
And its torment won't be through  
'Til you let me spend my life making love to you  
Day and night, night and day
