How can I ignore the boy next door?  
I love him more than I can say  
Doesn't try to please me, doesn't even tease me  
And he never sees me glance his way

And though I'm heart sure  
The boy next door affection for me won't display  
I just adore him, so I can't ignore him  
The boy next door

How can I ignore the boy next door?
