Pick myself up right where you left me
Yes life goes on, oh without you
Maybe the others fell apart
But, darlin' I broke your...

Chain of broken hearts
Darlin' listen here's where it stops
Your chain of broken hearts
Darlin listen here's where it stops
Your chain of broken hearts

Something grows cold when you used to hold me
So I turn to stone rather than cry, oohhh...
I saw through the spell of all your charms

That's why I broke your...

Chain of broken hearts
Darlin' listen, here's where it stops
Your chain of broken hearts
Darlin' listen, here's where it stops
Your chain of broken hearts

I'm lookin' right through you and I see someone
Who can't help but to run from love
Baby, you've done this before
But I was the one to, darlin', to leave you alone
