All alone, on my knees I pray  
For the strength, to stay away

In and out  
Out and in you go  
I feel your fire  
Then I lose my self control

How can I, ease the pain?  
When I know you're comin back again  
How can I, ease the pain in my heart?  
How can I, ease the pain?  
When I know you're comin back again  
How can I, ease the pain in my heart?  
How can I ease the pain?

Everytime  
That I let you in  
You take away  
Something deep within  
A fool for love  
Is a fool for pain  
And I refuse  
To love you again!

How can I, ease the pain?  
When I know you're comin back again  
How can I, ease the pain in my heart?  
How can I, ease the pain?  
When I know you're comin back again  
How can I, ease the pain in my heart?  
How can I ease the pain?  
How can I ease it...

If it's not my love  
That youve come here for,  
It's heaven while you're here  
Knock, knock, knocin at my door  
I can't take it, no no no no more baby  
Give me it all, or nothin at all!

How can I, ease the pain?

When I know you're comin back again  
How can I, ease the pain in my heart?  
How can I, ease the pain?  
When I know you're comin back again  
How can I, ease the pain in my heart?  
I need to know how...  
How can I ease the pain?

You see, understanding... and attitude, after all, is  
everything. Work  
Like you don't need the money, Love like youve never  
been hurt, and Dance  
Like you do when no one is watching.
