Title : Around the world
What can I say ?
I lost my ????
When I found it I gave anything
To change the world
We are ????
We make mistakes we make more in ????
We are ???? as we feel
In the way the way of forgiveness
I'm so ????
Can I really believe what I say ?
Love is everywhere and I can have it
If I see it
What a waste
What a waste to feel the way I feel
When happiness is just around the corner
Yes happiness is just around the corner
From forgiveness
Once around the world
You feel my way around the world
Twice around the world
Feel my way around
OK OK
Nobody teaches how to laugh
Nobody teaches how to live
Nobody taught me what to do
When life gets pretty ugly
What a waste
What a waste to feel the way I feel
When happiness is just around the corner
And love is everywhere
And I could have it
If I see it
Once around the world
Twice around the world
Can you feel my way around the world
Feel my way around
How can you can you feel
How can you feel my way around
Can can you feel
Can you feel it

Can you feel it
Can can you feel it
