And the earth spins round while the people fall down
And the world stands still not a sound (not a sound)

There is love
There is love
To be found
In the worst way
In the worst way
In the worst way

It's the buzz
It's the buzz
It's the buzz
It's the buzz
It's the buzz
I wish I was
It's the buzz
It's the buzz
It's the most fuzz

From a little shell at the bottom of the sea
With the earth and the moon and the sun above me
But the world fell down with some people still around

There is love
There is love
To be found
With the Gods all gone and the souls making sounds
In the worst way
In the worst way
In the worst way

It's the buzz
It's the buzz
It's the buzz
It's the buzz
It's the buzz
I wish I was
It's the buzz
It's the buzz
It's the most fuzz

From a little shell at the bottom of the sea
With the earth and the moon and sun around me

There is love
There is love
There is love

It's a buzz
It's a buzz
It's a buzz
It's the buzz
It's the buzz
I wish I was
It's a buzz
It's a buzz
It's a buzz
