Extraterrestrial
Down on the corner
So unfamiliar
And making me wonder

All of the robots
Around it are dying
Craving emotions
And constantly fighting

The sun came out
And it didn't go away
No, it didn't
It didn't go away

Extraterrestrial
Counting his fingers
Handing out pamphlets
Of light to us sinners

The sun came out
And it didn't go away
No, it didn't
It didn't go away

So unfamiliar
Making me wonder
'Cause it says that God
Is a soul masturbator

Higher vibrations
Frequency flying
Living in light
'Cause the light freaks out dyin'

The sun came out
And it didn't go away
No, it didn't
It didn't go away

The sun came out
And it didn't go away

No, it wouldn't
It wouldn't go away
