Little bits of life float by  
I'm rolling in the dust  
Aching for a love to feel  
Somehow I am enough

Spinning out among the clouds  
And echoing somewhere  
Staring at the picture in my head  
That says you're there

And I feel and I know  
And I see you go

(something in your eyes)

Straight into the heart of me  
La la la la la la  
And all the hidden birds fly free  
Yeah

(Something in your eyes)

Straight into the heart of me  
La la la la la la  
So nice to feel a love just be  
So free

I wanna light up all the darkness  
That your heart could ever fear  
Cradle all your secrets and then  
Swallow all you tears  
Listen to the rhythm of  
your breathing in the night  
and touch you like a thousand feathers  
floating in the light

And I see and I know  
And I feel you go

(Something in your eyes)

Straight into the heart of me  
La la la la la  
All the hidden birds fly free

(Something in your eyes)

repeat
