When you fool yourself  
The other one  
When you fool yourself  
It's the other one  
The other one gets hurt

Time it doesn't help  
And the other one  
Time it doesn't help  
And the other one  
The other one walks out

Hold me  
Sacred  
Touch me  
Hold me  
That's better

When you pull away  
The other one  
Really pull away  
And the other one  
The other one breaks down

The vision is gone  
With anyone

When you give it up  
The other one  
Really give it up  
And the other one  
The other one will too

Hold me  
Sacred  
Touch me  
Hold me  
That's better

Hold me  
Stay close  
Touch me

Don't leave  
That's better

Hold me  
Sacred  
Touch me  
Hold me  
That's better
