Love unfailing overtaking my heart
You take me in
Finding peace again
Fear is lost in all You are

And I would give the world to tell Your story
'Cause I know that You've called me
I know that You've called me
I've lost myself for good within Your promise
And I won't hide it, no, I won't hide it

Jesus, I believe in You
And I would go to the ends of the earth
To the ends of the earth
For You alone are the Son of God
And all the world will see
That You are God, You are God

Love unfailing overtaking my heart
You take me in
Finding peace again
Fear is lost in all You are

And I would give the world to tell Your story
'Cause I know that You've called me
I know that You've called me
I've lost myself for good within Your promise
And I won't hide it, no, I won't hide it

Jesus, I believe in You
And I would go to the ends of the earth
To the ends of the earth
For You alone are the Son of God
And all the world will see
That You are God, that You are God

Jesus, I believe in You
And I would go to the ends of the earth
To the ends of the earth
For You alone are the Son of God
And all the world will see
That You are God, You are God

Jesus, I believe in You
And I would go to the ends of the earth
To the ends of the earth
For You alone are the Son of God
And all the world will see
You are God, You are God

Jesus, I believe in You
And I would go to the ends of the earth
To the ends of the earth
For You alone are the Son of God
And all the world will see
That You are God, You are God

Jesus, I believe in You
And I would go to the ends of the earth
To the ends of the earth
For You alone are the Son of God
And all the world will see
You are God, You are God
We'll follow You, You are God
