Please eat your greens  
And don't sit close to screens  
Your eyes are a means to an end  
And I would be sorry if, due to your hurry  
You were hit by a lorry my friend

Like you always say  
Safe travels, don't die, don't die  
Safe travels, don't die

And don't walk on ice, no matter how nice  
How sturdy, enticing it seems  
Please cross at the lights  
And don't start fires or fights and  
Don't dabble in heights on caffeine

Like you always say  
Safe travels, don't die, don't die  
Safe travels, don't die

Don't swallow bleach  
Out on Sandymount beach  
I'm not sure I'd reach you in time my boy  
Please don't bungee jump  
Or ignore a strange lump  
And a gasoline pump's not a toy

Like you always say  
Safe travels, don't die, don't die  
Safe travels, don't die, don't die  
Safe travels, don't die, don't die  
Safe travels, don't die, don't die
